DEAR friends! 

Following the grand success of Ascent Academia 10 – Indian Otology League, held in February 2025, which brought together a distinguished panel of eminent International and National Faculties, Ascent ENT Hospital, proudly presents Edition 2 of the Indian Otology League – an exclusive academic conclave dedicated to the advancement of otology.

Organized under the banner of Ascent Academia, the academic wing of Ascent ENT Hospital, this annual initiative aims to create a dynamic platform for sharing knowledge, showcasing surgical excellence, and fostering collaboration among leading otologists and ENT professionals from India and across the globe.

The much-anticipated Edition 2 will be held on February 14th and 15th, 2026, at Raviz Kadavu Resort, Calicut, offering a perfect blend of science, skill, and serene ambience.

We are honored to once again host an exceptional lineup of global experts, including Dr. Robert Vincent, Dr. Mohan Kameswaran, Dr. Vijayendra Honnurappa, Dr. Ravi Ramalingam and several other distinguished faculties, who will share their invaluable insights on cutting-edge developments and evolving trends in otology.

For those who missed the opportunity to attend the first edition, this event presents a remarkable chance to:

- Engage in interactive academic sessions and panel discussions with leading otologists.
- Witness live surgical demonstrations by renowned experts.
- Explore the latest innovations in otologic diagnostics and treatment.
- Connect and collaborate with peers, mentors, and pioneers in the field.

We extend our warmest invitation to all ENT specialists, postgraduate students, and allied professionals to join us in Calicut for two inspiring days of learning, collaboration, and camaraderie at Ascent Academia 11 – Indian Otology League, Edition 2.

Let's unite once again to celebrate the spirit of otology, exchange ideas, and shape the future of hearing sciences together.

With regards,

Organising team
